

MULTIPLE MYELOMA 2016

Perspectives for a paradigm change

University Magna Graecia, Catanzaro (Italy)
30th June - 2nd July 2016

Congress Presidents
Pierfrancesco Tassone - Angelo Vacca
SCIENTIFIC PROGRAM

Società Italiana di Immunologia
Immunologia Clinica e Allergologia

Educational Workshop
Innovation meets medical oncology
University Magna Graecia - 30th June 2016

THURSDAY, 30th JUNE 2016

8.30 Registration of participants

Educational Workshop INNOVATION MEETS MEDICAL ONCOLOGY

8.50 Welcome address and orientation

Pierfrancesco Tassone (Catanzaro - I), **Angelo Vacca** (Bari - I)

Chairpersons: **Salvatore Palazzo** (Cosenza - I), **Franco Silvestris** (Bari - I), **Pierosandro Tagliaferri** (Catanzaro - I)

9.00 Genomics opens a new scenario for cell cycle and mTOR inhibitors: everolimus and beyond
Carlo Capalbo (Rome - I)

9.15 An expanded view on anti-angiogenic agents: bevacizumab, aflibercept, ramucirumab, sunitinib and beyond
Nicola Silvestris (Bari - I)

9.30 Prediction meets genetics: PARP inhibition on clinical stage
Sergio Rizzo (Palermo - I)

9.45 Immune check-point inhibitors: revolution for cure
Pierpaolo Correale (Siena - I)

10.00 Exosomes as bio-markers in immunotherapy
Marco Tucci (Bari - I)

10.15 General discussion

10.30 - 10.45 Coffee break

10.45 Androgen-responsiveness, a new path of opportunities
Michele Caraglia (Naples - I)

11.00 New opportunities from marine derived compounds: trabectedin, eribulin and beyond
Eugenio Donato Di Paola (Catanzaro - I)

11.15 PI3K-inhibitors: new drugs for promising targets
Christian Rolfo (Antwerp - B)

11.30 Trastuzumab, pertuzumab, trastuzumab emtansine, cetuximab, panitumumab: still an evolving scenario?
Daniele Santini (Rome - I)

11.45 New strategies for the treatment of bone metastases
Sergio Baldari (Messina - I)

12.00 Thrombotic risk prevention in cancer patients: a new scenario
Candida Mastroianni (Cosenza - I)

12.15 General discussion and conclusions

12.30 - 13.30 Lunch

MULTIPLE MYELOMA 2016 - PERSPECTIVES FOR A PARADIGM CHANGE

14.00 Welcome address - Chancellor Magna Graecia University - **Aldo Quattrone** (Catanzaro - I)

14.10 Welcome speech and orientation

Pierfrancesco Tassone (Catanzaro - I), **Angelo Vacca** (Bari - I)

14.20 Opening Lecture

New advances in molecular classification and therapy of multiple myeloma

Chairperson: **Fabrizio Pane** (Naples - I)

Speaker: **Leif Bergsagel** (Scottsdale - USA)

Workshop 1 - Immunobiology of multiple myeloma: a translational view

Chairpersons: **Francesco Annunziato** (Florence - I), **Ennio Carbone** (Catanzaro - I)

15.00 T cell-mediated immunity

Ivan Borrello (Baltimore - USA)

15.20 NK cell-mediated immunosurveillance

Angela Santoni (Rome - I)

15.40 PD1 and Treg

Massimo Massaia (Turin - I)

16.00 Role of interleukin-17 in the progression from asymptomatic to symptomatic multiple myeloma

Matteo Bellone (Milan - I)

16.20 Myeloid-derived suppressor cells

Kim de Veirman, Karin Vanderkerken (Brussels - B)

16.40 - 17.00 Coffee break

Workshop 2 - Immunodeficiency and infections: a path for evidence-based supportive care

Chairpersons: **Francesco Silvestris** (Bari - I), **Carlo Torti** (Catanzaro - I)

17.00 Humoral deficiency in multiple myeloma: the multifaceted picture

Isabella Quinti (Rome - I)

17.20 Invasive mycosis in multiple myeloma in the era of novel therapies

Giuseppe Gentile (Rome - I)

17.40 Antimicrobial prophylaxis in multiple myeloma: is there a rationale?

Igor Blau (Berlin - D)

18.00 Substitutive immunoglobulins therapy in immunoparetic patients

Roberto Ria (Bari - I)

18.20 Welcome Cocktail

FRIDAY, 1st JULY 2016

Workshop 3 - New insights in the biology of multiple myeloma

Chairpersons: **Federico Caligaris-Cappio** (Milan - I), **Antonino Neri** (Milan - I)

9.00 New biological achievements in bone disease

Nicola Giuliani (Parma - I)

9.20 Clonal evolution of multiple myeloma

Nizar Bahlis (Calgary - CDN)

9.40 AP-1 transcription factors

Klaus Podar (Heidelberg - D)

10.00 IAP antagonists as immunomodulators in multiple myeloma

Marta Chesi (Scottsdale - USA)

10.20 Keynote Lecture

Role of non coding RNAs in multiple myeloma

Chairpersons: **Pierosandro Tagliaferri** (Catanzaro - I), **Giuseppe Vignietto** (Catanzaro - I)

Speaker: **Carlo Croce** (Columbus - USA)

11.00 - 11.20 Coffee break

Workshop 4 - Translational approaches for innovative therapeutic strategies

Chairpersons: **Pierosandro Tagliaferri** (Catanzaro - I), **Pierfrancesco Tassone** (Catanzaro - I)

11.20 Ex-vivo 3D and in vivo bone-derived co-culture model for new drug screening

Monica Engelhardt (Freiburg - D)

11.40 Targeting non-coding RNAs: a new clinical paradigm

Marco Rossi (Catanzaro - I)

12.00 Cell and gene based IMPs for multiple myeloma treatment

Farzin Farzaneth (London - UK)

12.20 Salvatore Venuta Memorial Lecture

Perspectives for a paradigm change

Chairpersons: **Pierfrancesco Tassone** (Catanzaro - I), **Angelo Vacca** (Bari - I)

Speaker: **Kenneth C. Anderson** (Boston - USA)

13.15 - 14.00 Lunch

Workshop 5 - Diagnostic and prognostic factors

Chairpersons: **Massimo Gentile** (Cosenza - I), **Angelo Vacca** (Bari - I)

14.00 AL amyloidosis: pathogenetic role of free light chains

Giampaolo Merlini (Pavia - I)

14.20 Diagnostic and prognostic role of light and heavy chain test

Giovanni Palladini (Pavia - I)

14.40 Minimal residual disease

Lucio Catalano (Naples - I)

15.00 Kidney impairment

Daniele Derudas (Cagliari - I)

15.20 Risk models as a guide to treatment

Dirk Hose (Heidelberg - D)

Workshop 6 - Upfront therapy

Chairpersons: **Francesco Iuliano** (Rossano - I), **Antonio Palumbo** (Turin - I)

15.40 First line therapy in young patients: is auto-SCT always the standard of care?

Hermann Einsele (Würzburg - D)

16.00 The role of consolidation and maintenance in young patients

Alessandro Corso (Pavia - I)

16.20 Upfront therapy in elderly patients

Francesca Patriarca (Udine - I)

16.40 Allogeneic stem cell transplantation

Francesco Onida (Milan - I)

17.00 - 17.20 Coffee break

Workshop 7 - Relapsed/refractory myeloma

Chairpersons: **Massimo Martino** (Reggio Calabria - I), **Maurizio Musso** (Palermo - I)

17.20 Can multiple myeloma become a chronic disease?

Joan Bladé (Barcelona - E)

17.40 Personalized therapy for the relapsed/refractory patient

Fortunato Morabito (Cosenza - I)

18.00 Supportive care in multiple myeloma: pain/breakthrough pain, cytopenia, emesis

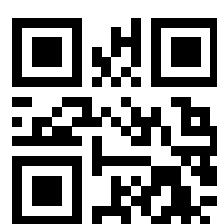

Giuseppe Longo (Taormina - I)

18.20 Daratumumab alone or in combination in relapsed multiple myeloma

Henk Lokhorst (Utrecht - NL)

18.40 IMiDs plus anti-CS1

Patrizia Tosi (Rimini - I)

More information

www.siica.org

SATURDAY, 2nd JULY 2016

Workshop 8 - Smoldering myeloma and plasma cell dyscrasias

Chairpersons: **Emanuele Angelucci** (Cagliari - I), **Franco Dammacco** (Bari - I)

9.00 Biology and treatment of smoldering myeloma

Francesco Di Raimondo (Catania - I)

9.20 Extramedullary myeloma

Aldo Roccaro (Brescia - I)

9.40 Plasma cell leukemia

Pellegrino Musto (Rionero in Vulture - I)

10.00 Waldenström macroglobulinemia

Steven Treon (Boston - USA)

10.20 - 10.40 Coffee break

Workshop 9 - Developmental new drugs

Chairpersons: **Stefano Molica** (Catanzaro - I), **Francesco Trapasso** (Catanzaro - I)

10.40 Immunotherapy of multiple myeloma: new perspectives

Martin Gramatzki (Kiel - D)

11.00 IMiDs in multiple myeloma: is it all about MYC and its enhancer?

Paola Neri (Calgary - CDN)

11.20 E2F and BET Bromodomains as potential targets in multiple myeloma

Mariateresa Fulciniti (Boston - USA)

11.40 New Proteasome inhibitors: carfilzomib, ixazomib and beyond

Antonia Reale (Bari - I)

12.00 Targeting the Wnt/beta-catenin/BCL9 transcriptional complex for multiple myeloma therapy

Ruben D. Carrasco (Boston - USA)

12.20 Mechanisms underlying genomic instability and their translational significance

Masood Shammas (Boston - USA)

12.40 Synthetic lethal approaches exploiting DNA Damage

Giovanni Tonon (Milan - I)

13.00 Relevance of clinical response on patient survival: a critical issue in drug development

Ralph Wäsch (Freiburg - D)

13.20 Closing Remarks

Pierfrancesco Tassone (Catanzaro - I), **Angelo Vacca** (Bari - I)
